5. Annual Reports

Group Scout Leader (GSL) Report, Sam Elliott.

Sam explained that she has volunteered to take over this role as she is no longer leader of our Beaver Colony. As she is also the Blandford GSL, it will be more sensible for her to support us by undertaking a similar role;

- To help support the young people in Milborne St Andrew and the Winterborne valley, our Scout Groups have merged. The existing Milborne Beaver Colony is now part of the Winterborne Whitechurch Scout Group.
- As a result of the merger, it was decided to change the name of the Group to reflect the wider geographical profile of the Group. As a result of a meeting on 25.9.19 we will now be called "The Winterbornes' Scout Group". A new necker has been chosen – green to reflect the country-side and a gold trim. The colour gold features in both Groups' original neckers.
- Priority now will be to update the new bank account and put procedures in place for online payments.
- Once formalised as GSL, the role will enable access to the Scout system , "Compass". This will enable support for Leaders and Committee members with training and development.
- If anyone would like to volunteer in any capacity to help with Scouts then please let Sam know.

Group Scout Leader Report

Sam Elliott

Annual General Meeting
Group Scout Leader Report

I stepped into the Group Scout Leader role in October 2019 and with the help of the Executive Committee and Leaders we have had a positive start moving the Group forward after a turbulent couple of years. The annual census figures taken in January show that the Group is starting to grow again.

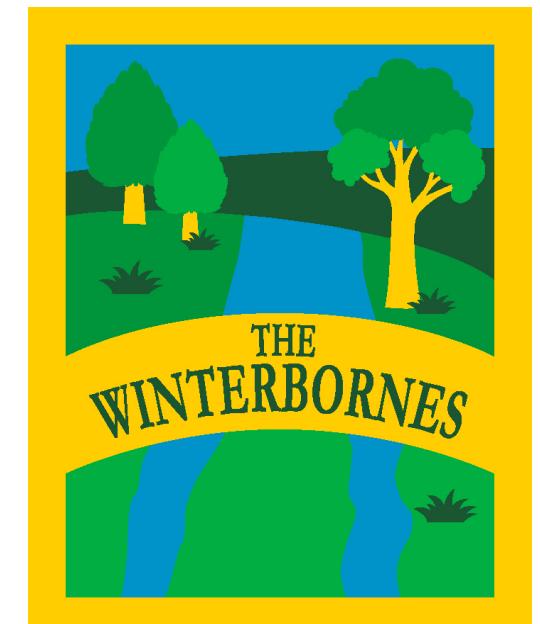

I'm really pleased that we have been able to complete the merge of Winterborne Whitechurch and Milborne Scout Groups to become The Winterbornes. The new neckers were voted for, ordered and given out at our Group Christmas party and has helped to unite all sections. The badge has also been designed by one of our Cubs, Brooke and will be made as soon as we have the funds to do this.

Leaders have been planning and running great weekly sessions of Scouting, alongside:

- attending (or undertaking online) training courses
- helping with fundraising events
- organising and running camps

The Committee organised the really successful Christmas raffle and sing-a-long fundraiser event and have also started to apply for more funding from various sources.

Our goals...

This document is taken from Scouts 'Skills for Life – Our Plan 2018-2023', we can use this to help us grow and achieve a really successful Scout Group that fulfils the Scouts Vision, Mission and Values.

Growth

- We will continue to **promote** our Group and its activities in the local community to encourage the growth in young people and adult volunteers

Youth Shaped

- Leaders need to encourage more involvement from young people in their program planning
- I will be working closely with Leaders to make sure young people are achieving their Chief Scout awards

Inclusivity

- We will not exclude anyone from joining the Group and will actively promote inclusivity!

Community Impact

- In sections and as a Group we will actively help and support our local community

Skills for Life

Our plan to prepare better futures 2018-2023

Our vision

By 2023 we will have prepared more young people with skills for life, supported by amazing leaders who deliver an inspiring programme. We will be growing, more inclusive, shaped by young people and making a bigger impact in our communities.

Our mission

Scouting actively engages and supports young people in their personal development, empowering them to make a positive contribution to society.

Our values

We act with care, respect, integrity, cooperation, exploring our own and others' beliefs.

Our goals

We will achieve the following goals against our four objectives:

Growth

- 50k more young people
- 10k more Section Leaders
- 5k more Young Leaders

Inclusivity

- Our volunteers reflect the demographics of our society
- In 500 more areas of deprivation

Youth Shaped

- 250k young people shape their Scouting each year
- 50% young people achieve top awards

Community Impact

- 250k young people making a positive impact in their local communities each year
- 50% young people achieve top awards

Our three pillars of work

To meet these objectives, we will focus on three pillars of work:

Programme

A fun, enjoyable, high quality programme consistently delivered and supported by simple (digital) tools.

People

More, well trained, better supported and motivated adult volunteers, and more young people from diverse backgrounds.

Perception

Scouting is understood, more visible, trusted, respected and widely seen as playing a key role in society today.

For families...

We are not in the best financial situation. I'm not a Leader who likes to keep a lot of subs in a pot never to benefit any young people but we are struggling to pay rents, census and/or purchase badges and resources.

We need support from families to make sure subs are paid on time in the future. If finances are an issue there are various sources we can gain funding from to help those in need. No young person should miss out on Scouting for financial reasons.

If anyone can help with applying for grants that would be much appreciated.

Term 1

WW Beavers joined Blandford Scout Group to take part in St George's Day celebrations.

WW Beavers also improved knot skills and worked towards Navigator badge and Community Impact badges

Term 2

WW Beavers and Milborne Beavers merged and began the term meeting at Milborne Village Hall. After a couple of weeks we had problems with the bookings so we relocated to the Milborne Sports Pavilion, which is a great site to run Scouting!

Beavers had a 'log chew' to decide what badges/activities they would like to do this term, they chose; Sports, Healthy Eating and Creative badges.

Beavers joined the rest of the Group at Kingston Lacy for a Christmas illuminated walk.

Term 3

This term the Beavers chose to complete their Cook Activity Badge, they made pancakes, pasta and pizza over a few sessions. Whilst cooking Italian food they also learnt and played new games popular with young people in Italy.
